Invitation

Dear colleagues,

We cordially invite you to the 3rd EuroFlow QA Educational meeting. The aim of the meeting is to discuss the issues revealed by the QA program, educate on the difficult parts and provide you with an opportunity to discuss your problems with the execution of the EuroFlow protocols face-to-face. Continuous education is an essential part of the quality of the diagnostic workup. At the same time we wish to hear back from you.

We are looking forward to meeting you in Prague,

Tomas Kalina on behalf of the Euroflow QA team
